

# OutriderPro™

Outrider Gas Transports is the first to design and manufacture a cascade trailer system that addresses the specific challenges faced by gas utility companies on a daily basis. Its towability and ease of use are second to none. The Outrider Pro trailer is also made with high quality parts that can be fixed in field if needed.

**Utilities are unknowingly losing money and compromising safety by using outdated equipment.**

Shown with optional Regulation Panel

Convenient toolbox for frequently used items

## Features & Specifications

Designed by industry veterans and based on customer feedback, the Outrider Pro is a state of the art trailer that provides a temporary storage of natural gas for utilities. With a CNG capacity of more than 52,000 scf and towable by a 1 ton pickup, the Outrider Pro's small footprint makes it nimble and easy to move to and from job sites. Outrider's trailers exceed existing DOT regulations and have passed Finite Element Analysis (FEA) 3rd party inspection. To choose the Outrider Pro is to experience improved efficiency and decreased costs, all while reducing your exposure to liability.

» ANSI/CSA NGV2 » CAN/CSA B51 » TC 6039  
» DOT-SP-13173 » ISO 11439

### Outrider Pro Specs

<b>CNG Capacity at 70°F</b>	52,560 scf   409 dge   460 gge   1,472.5 scm   52 MMBTU
<b>Operating Pressure</b>	3,600 psi / 250 bar
<b>Test Pressure</b>	5,400 psi
<b>Cylinders</b>	16   3,285 CF per cylinder
<b>Cylinder Type</b>	TYPE III—Aluminum liner, composite wrap
<b>Total Cylinder Water Volume</b>	5,102 L 320 EA
<b>Tare Weight</b>	9,220 lb. (empty)
<b>Gross Weight</b>	11,593 lb. (full)
<b>Gas Weight</b>	2,373 lb.
<b>Relief Valve</b>	Standard
<b>Hitch type</b>	2-5/16" Ball or Pintle   Height adjustable
<b>Axles</b>	2 - 7k lb. with brakes
<b>Measurements</b>	Width 8' 4" / Length 18' / Height 7'10"
<b>Outlet Connection to Regulation</b>	Customer Specified
<b>Tubeing</b>	1/2" SS O-ring face seal
<b>Driver Requirements</b>	DOT / HAZMAT
<b>Regulation Panel</b>	Optional
<b>Telemetry</b>	Optional
<b>Standard Features</b>	Hose door, solar-powered interior light w/ with battery backup, grounding wire & lug, toolbox, fire extinguisher, wheel chocks

# OutriderCart™

The first of its kind, the Outrider Cart offers gas utilities the flexibility they need to manage their complex schedules. The Cart is Outrider's solution for its customers' small capacity jobs. Dolly mounted and highly mobile, the Cart can be easily hand-pushed through small gates and narrow alley ways. The Cart is ideal for meter change outs, rural farm taps, small residential/commercial jobs, and temporary vehicle fuel for NGV rescue.

## Features & Specifications

### SECURE, LOCK, LEAVE

Let the Outrider Cart work for you while you and your truck move on to the next job.

### URBAN OR RURAL

The cart is ready for any jobsite due to its slim design, weight stabilization and poly foam tires.

### DAISY CHAIN FEATURE

Tailor your capacity needs by connecting up to four Outrider Carts with our manifold.

### FIELD READY

Built-in regulation can be adjusted in the field to meet your needs.

### Outrider Cart Specs

<b>CNG capacity at 70° f</b>	969 scf, 7.8 DGE, 7.0 GGE
<b>Operating Pressure</b>	3,600 psi / 250 bar - 40 psi / 2.75 bar
<b>Tare Weight</b>	258 lbs
<b>Gross Weight</b>	284.3 lbs (full)
<b>Measurements</b>	55" (H) x 23"(W) x 30"(D)
<b>1st cut regulation</b>	Fisher 1301G
<b>2nd cut regulation</b>	Fisher 627
<b>Over Pressure Protection Relief Device</b>	Fisher 289H & Generant IRV
<b>Pressure Range Availability</b>	3,600 - 5 psi
<b>Outlet Connection</b>	1"
<b>Inlet fueling connection</b>	Weh TN1
<b>Cylinder</b>	Type III - Aluminum liner, composite wrap
<b>Tubing</b>	3/8" SS O-ring face seal
<b>Poly Foam Tires</b>	Amerityre 11 x 4 1/2
<b>Daisy Chain</b>	Optional manifold available
<b>Features</b>	Built in regulation, lifting system, poly foam tires
